ELIGIBILITY
ACEC-NH member firms engaged in the practice of consulting engineering in New Hampshire are eligible to enter the awards competition.

- Firms may obtain permission from the client/owner prior to submittal.
- Projects must be substantially completed or publicly disclosed by the client for use between November 1, 2018 and October 31, 2020.
- A firm may submit multiple entries.
- Sub-consultants are eligible to submit, provided they coordinate with the prime consultant and all team members.

ENTRY FEES
Project Entry Fee $ 275
Each Additional Firm in Entry $ 100

IMPORTANT DATES
ACEC-NH Submissions Due Jan. 8, 2021
ACEC-NH Judging February 2021
ACEC-NH EEA Luncheon March 2021

RATING GUIDELINES
Each entry will be evaluated based upon the following criteria:

- Uniqueness and/or innovative application of techniques
- Future value to the engineering profession and enhanced public awareness
- Social, economic, and sustainable development considerations
- Complexity
- Successful fulfillment of client/owner needs

Describe in layman’s terms why this project is worthy of special recognition (100-500 word count) addressing factors that highlight the above criteria.

HOW TO SUBMIT AN ENTRY
A completed entry form, synopsis, executive summary, digital panel, and project pictures must be received by ACEC-NH on or before January 8, 2021. These materials must be submitted online by visiting: www.acec-nh.org.
